

Offline Summary

Offline Perma-eHub Reader summary — for students

Students:

It's easy to read your Perma-eHub books on your device or computer! All you need to do is download our offline Reader, and you're ready to go, Anytime, Anywhere.

With the Perma-eHub offline Reader, you can read any eBooks checked out to you from your own computer or device, whenever you want to. You can also:

Do in-title searches.

- ✓ Navigate pages with gesture support
- ✓ Link as many as six devices to your Perma-eHub account

Here's how to get started:

1. First, make sure your school library has a Perma-eHub account set up with Perma-Bound Books
2. Get your school's Perma-eHub URL and your user credentials from your school librarian
3. Download the app using the instructions below
4. Download all the eBooks you've checked out onto your device

Happy reading!

Instructions for downloading the Perma-eHub app:

Apple™ iPhone/iPod touch/iPad

1. Connect to the App StoreSM, either from your device or the app on your phone
2. Locate and select the Perma-eHub app (search for "Perma-Bound," "eHub Reader," "eHub")
3. Install the Reader

Android™ smartphone/Tablet

1. Connect to Google Play™, either from your computer or the app on your device
2. Locate and select the Perma-eHub app (search for "Perma-Bound," "eHub Reader," "eHub"), then click "Install"

That's it! Once you're set up and logged in, you're ready to read! You can download all the eBooks checked out to you (barring publisher restrictions) so you can read your Perma-eBooks Anytime, Anywhere!

Note: Only eBooks checked out to your account on Perma-eHub appear on your device for download.
