Rediscover the joy of reading in an exciting new way with Perma-Bound's eBook platform!

As you may know, Perma-Bound's Perma-eBooks are becoming a popular alternative to a standard printed book. They offer portability and flexibility, and take up no shelf space unlike a physical book. Perma-Bound's Perma-eBook program offers everything you need to get your school or library started with ease.

Multiple Platform Capability

eBooks from Perma-Bound offer multiple platform capability, meaning you can use our browser-based Perma-eReader on PCs, Macs, tablets, laptops, notebooks, and other electronic devices.

Usability

With Perma-eBooks from Perma-Bound in your school and/or library, you can use a projector or whiteboard to display eBooks for the entire class, creating an electronic "Big Book." In addition, middle school and high school students can read their classroom novels, as well as many other exciting titles.
