Partner with Perma-Bound

for accurate and complete MARC Records

MARC records, catalog cards, bar coding, and theft detection are essential to ensuring your job as a media specialist or librarian goes smoothly. Accurate records assist with book retrievals from the shelves, book replacement, collection analysis, and collection development. Here at Perma-Bound, we know and understand this and make certain the materials we deliver to you are customized to your library's needs.

Our MARC records are created by professional librarians with school library experience, who catalog with the book in hand. We've expanded our offerings so that you can enjoy the benefits of cataloging that exceeds MARC21 requirements!

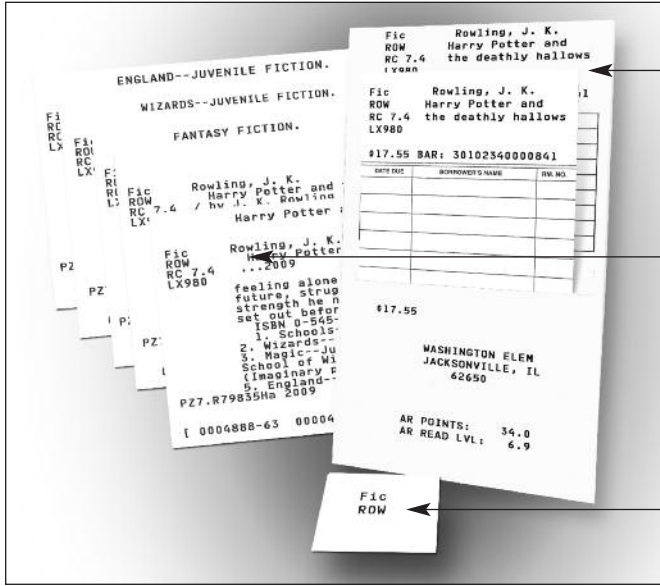

Combine complete records with the industry's original unconditional guarantee on Perma-Bound books – why would you buy books anywhere else?

If you need assistance filling out the following pages, please don't hesitate to contact your local representative or Perma-Bound's office at 1-800-461-1999. We'd be happy to assist in any way!

Make your library a Perma-Bound library!
