Buy Now — Select Later

With Perma-Bound's new convenient voucher system, you can spend your money by the required date, allowing you time to select the titles you would really enjoy for your library or classroom.

Perfect for PTO's, PTA's, and Fundraiser Sales

Parent Organizations and Community Support Organizations can purchase books for your school while leaving the title selection in your hands!

Meet Do-Not-Exceed Dollar Amounts

Do you have a DNE that your order doesn't quite reach? We'll simply issue a Voucher for the remaining balance for you to use on a future purchase of Perma-Bound products.

How Do I Order Vouchers?

Vouchers are available in \$1.00 increments, so you can purchase whatever fits your budget requirements. Vouchers can be used for books and Renaissance Learning products. They can be ordered online, over the phone, or from your local sales representative.

What's The Next Step?

Once you place your Voucher order for a specific dollar amount, Perma-Bound will issue you a Voucher Certificate indicating the dollar amount purchased. This Voucher Certificate will be mailed to you with your invoice.

How Do I Use My Voucher?

Each Voucher Certificate has its own identification number associated with your specific order so that we can manage your credits on file. Simply send us any list of titles you'd like to purchase and we'll deduct the sum of your selected titles from your credit on file. Should your purchase exceed your voucher amount, a second invoice will be sent to you.
