Perma-Bound is proud to offer multiple Interactive Whiteboard-compatible items which will take your lessons from simple words on a dry-erase board to dynamic learning experiences.

The New Big Book!

Unlock the possibilities and lock in your students' interest, all with one product! Interactive Whiteboard Activities are perfect for beginning readers, and for those in-class sit-down read-alongs. You can load the Whiteboard Activity CD into your computer and display it as an interactive big book as large as your whiteboard will allow you. When you utilize the whiteboard's built-in functions, you can unlock the endless possibilities of in-class instruction.

First Step Towards eBooks

With all of the emerging technologies and new electronic formats becoming available for books, these Interactive Whiteboard activities are the perfect product for elementary level instruction on how to use the new eBooks and other electronic media, and will work well to demonstrate to your students the benefits of these new formats.

Technology Grant or Funding Applicable

Perma-Bound Interactive Whiteboard products are Smart Board approved and therefore can be purchased with technology grant and funding sources.
