Reading with Meaning 2nd Edition Correlated Bibliography of Recommended Titles

Perma-Bound Canada

Perma-Bound Collection

Perma-Bound maintains a collection of over 300,000 titles in all formats, including eBooks, and bindings. The titles we carry are based on a number of factors including publisher information (we carry titles from over 1,000 publishers), reviews from independent reviewing agencies, award winners, and in-house Library and Classroom expertise gathered from over 50 years in the K-12 literature market.

Hand-Picked Selections

Perma-Bound Books has a staff of accredited librarians and consultants who are experts in developing lists for specific needs. This list was developed by our in-house experts.

Reading with Meaning

It has been ten years since the first edition, in which Debbie chronicled a year in her own classroom. Reading with Meaning, Second Edition supports that work and expands her vision of strategy instruction and intentional teaching and learning. Debbie believes that every child deserves at least a full year of growth during each classroom year and offers planning documents with matching assessments to ensure that no child falls through the cracks. The second edition also provides new book recommendations that will engage and delight students, and current picture books for reading aloud and strategy instruction.

Perma-Bound Books

All the books in this list are in the Perma-Bound binding.

“Our Perma-Bound bindings are Unconditionally Guaranteed.”

The list is presented in ascending alphabetical order by Title.

Please visit www.perma-bound.com/canada for further information on any title. Titles may be searched by entering the Title, Author, or Order Number in the search box.
