Our Secondary Curriculum Catalog for grades 7-12 is now available in [print](#) and [online](#).

We've compiled a collection of our most popular and requested titles for on-level middle grade and high school literature students. This catalog is an excellent resource for instructors, curriculum directors, and teachers at the secondary level.

Highlights include classroom favorites, Literature (featuring Shakespeare and themes for the English classroom), STEAM, Social Studies, and Diversity. A new addition this year is Women In Literature.

A "Raise Your Reading Game" poster with tips to help your students get the most out of fiction titles is also included.
