## If you choose more . . .

### As, then you're Kate!

Kate is the default leader of the girls. She's charismatic and energetic, but can be bossy and headstrong—leading the girls even when she has no idea where she's going or what she should do.

### Bs, then you're Mia!

Mia is smart and girlish. She loves beautiful things: flowers, horses, jewels . . . not to mention fairies! At times she dotes on her little sister Gabby, but then immediately forgets about her to run off and play.

### Cs, then you're Lainey!

Lainey is timid and easily tongue-tied, but also thoughtful, patient, and loyal. She almost always goes along with the others, but she might surprise them by standing up to them at key moments.

### Ds, then you're Gabby!

Gabby is the youngest of the group and is dreamy, honest, and immersed in her world of make-believe. She loves her sister, Mia, but would prefer to be off on her own pretending to be a fairy.
