Advance through eBook by grabbing page edges with cursor and peeling left or right ([The Flick](#))

or, place cursor within 1 inch of page edge and click

or, click the left or right page advance arrows

The Flick

[Return to Flow Chart](#)

In Manual Mode, audio is optional. If you wish to hear audio, click English, or Spanish, or the play button on the embedded MP3 Player

The screenshot shows a web page for 'One Wolf Howls' on the 'Arbordale' platform. At the top left is the 'Arbordale' logo. In the center, there is a 'Book Homepage' link and a language selection dropdown menu currently set to 'English Text'. On the right, there is an embedded MP3 player with two tracks: 'One Wolf Howls - English' and 'One Wolf Howls - Spanish'. The player interface includes a play button, a progress bar, and volume controls. Below the player is a large illustration of three wolves in a snowy forest. A yellow text box is overlaid on the illustration, providing instructions on using the MP3 player. At the bottom of the page, there are navigation arrows and a page indicator 'Page 10-11'. A 'Return to Flow Chart' link is located in the bottom right corner.

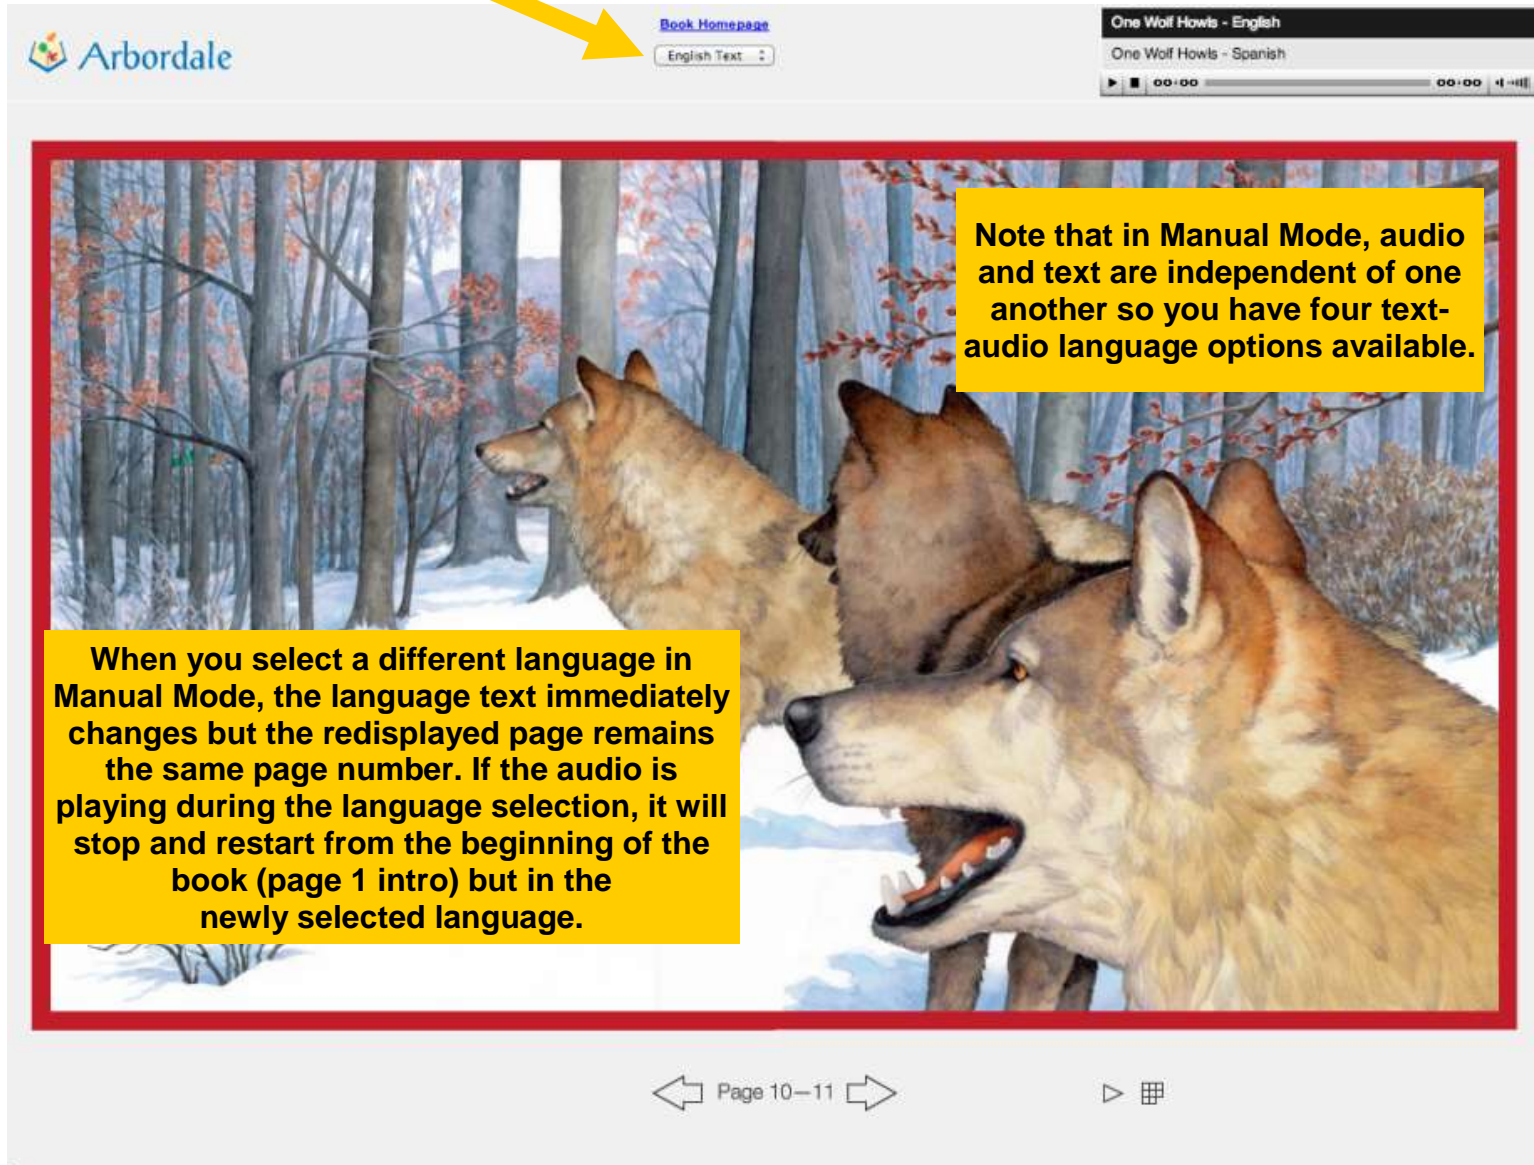

In addition to language audio selection, our embedded MP3 Player has pause, play and volume controls so you can easily stop the audio to slow things down or discuss the book and then click the MP3 Player's play button to resume the audio reading

Note that in Manual Mode, audio and text are independent of one another so you have four text-audio language options available. Also, it is a continuous reading not locked to page so the user needs to manually advance pages if they wish to keep up with the reading.

Select Language Text in Manual Mode

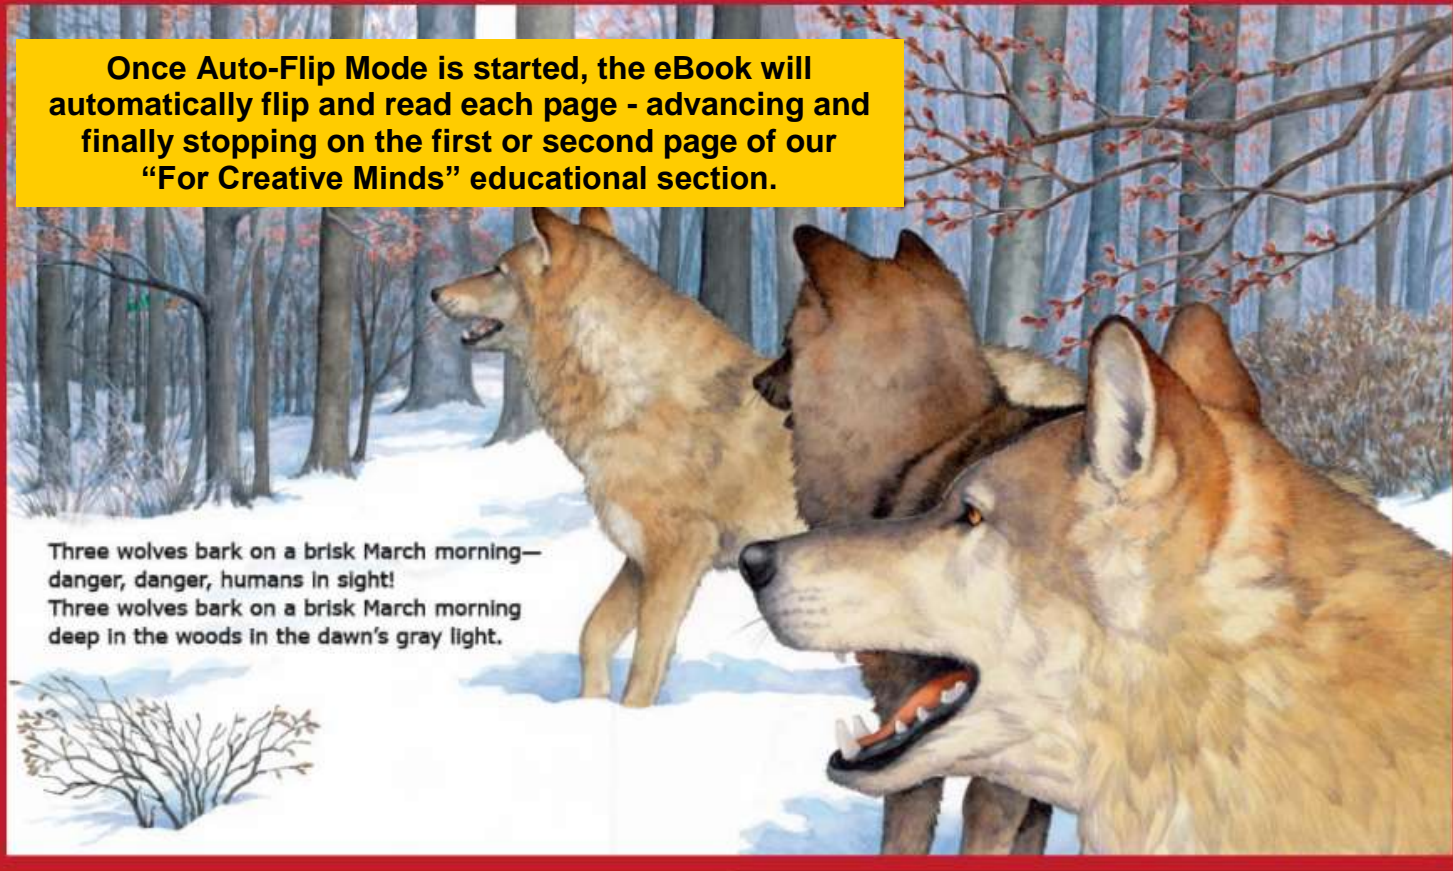

The screenshot shows the Arbordale interface. At the top left is the Arbordale logo. To its right is a "Book Homepage" link and a language selection dropdown menu currently set to "English Text". On the right side, there is a player control bar for "One Wolf Howls - English" and "One Wolf Howls - Spanish". The main content area features a large illustration of three wolves in a snowy forest. Below the illustration, there are two yellow callout boxes. At the bottom of the interface, there are navigation arrows and a page indicator showing "Page 10-11".

Note that in Manual Mode, audio and text are independent of one another so you have four text-audio language options available.

When you select a different language in Manual Mode, the language text immediately changes but the redisplayed page remains the same page number. If the audio is playing during the language selection, it will stop and restart from the beginning of the book (page 1 intro) but in the newly selected language.

Page 10-11

Once Auto-Flip Mode is started, the eBook will automatically flip and read each page - advancing and finally stopping on the first or second page of our "For Creative Minds" educational section.

Three wolves bark on a brisk March morning—
danger, danger, humans in sight!
Three wolves bark on a brisk March morning
deep in the woods in the dawn's gray light.

Start or Resume Auto Page Flipping

[Return to Flow Chart](#)

Three wolves bark on a brisk March morning—
danger, danger, humans in sight!
Three wolves bark on a brisk March morning
deep in the woods in the dawn's gray light.

Clicking the pause button causes the eBook to shift to Manual Mode. The pause button becomes a start button and you can resume Auto-Flip by just clicking the [Start Auto-Flip button](#) again. Or, you can stay in Manual Mode for a while and [Advance](#) or [Quick Navigate](#) where ever you like until ready to resume Auto-Flip.

Press Pause Button to pause Auto-flip or shift to Manual Mode

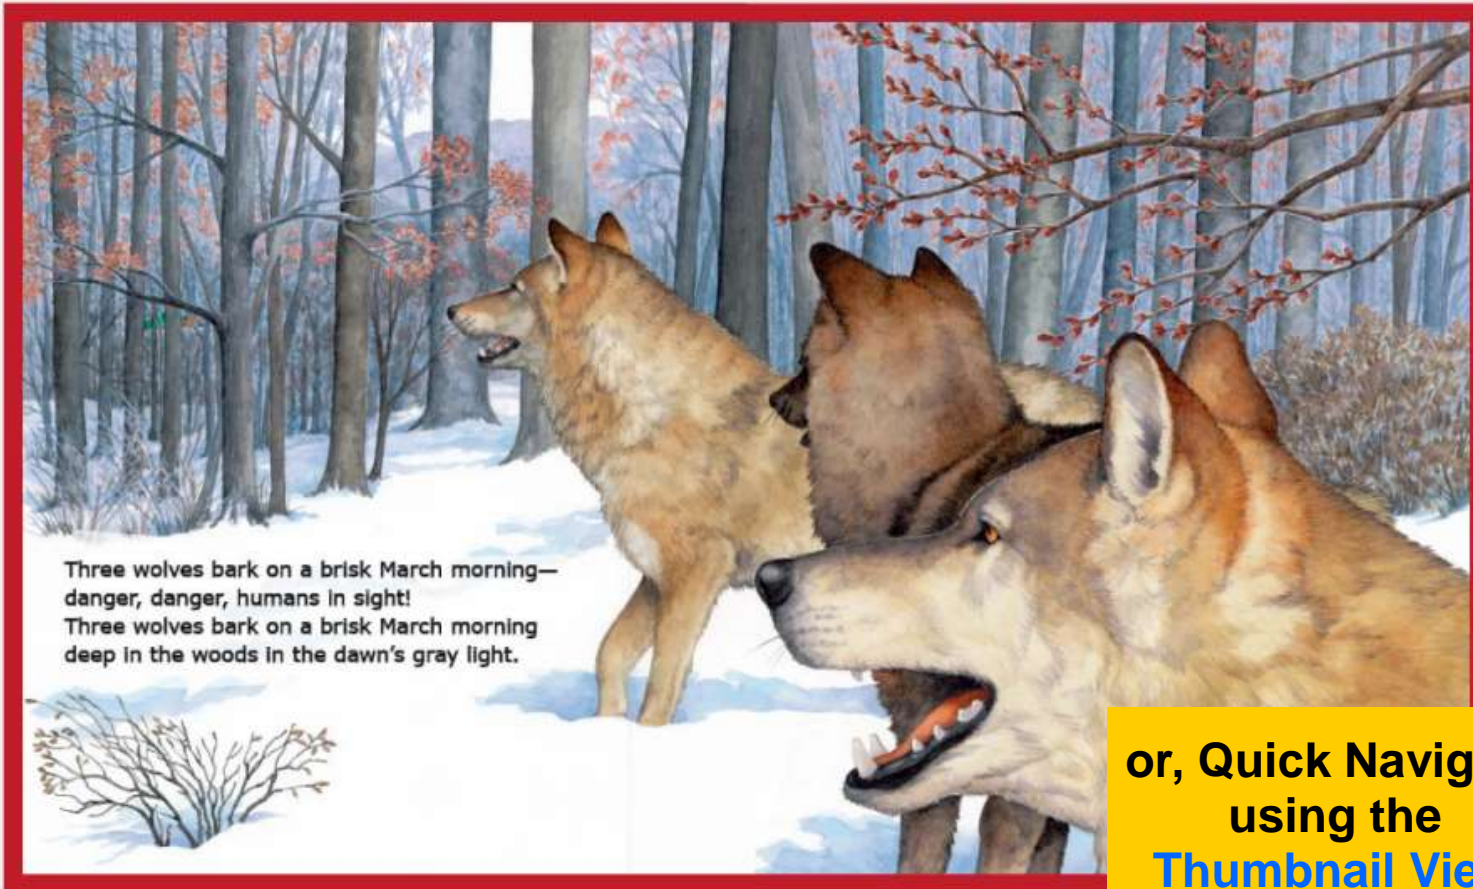

Select Language in Auto-Flip Mode (Text & Audio)

Note that in Auto-Flip Mode, there is no MP3 Player visible

Three wolves bark on a brisk March morning—

Select a different language at any time, and both the language text and audio reading immediately shift. The page remains the same, but the text is now the new language. The audio reading starts over on that same page but in the new language.

or, Quick Navigate using the [Thumbnail View](#)

Quick Navigate by entering the desired page # between the arrows

Choose desired Thumbnail on Matrix

The screenshot shows a digital interface for a book titled "One Wolf Howls". At the top left is the "Arbordale" logo. The top navigation bar includes "Book Homepage", "English Text", and language selection options for "One Wolf Howls - English" and "One Wolf Howls - Spanish". A video player interface is visible at the top right. The main area displays a grid of 20 thumbnails representing different pages from the book. A yellow arrow points to the top-left thumbnail. At the bottom, there is a "Thumbnails" button with left and right arrows and a grid icon.

Our Matrix screen displays all pages as thumbnails and to Quick Navigate, just click on the desired page spread thumbnail and it immediately opens to that page.
