Rosen LevelUp is an adaptive reading platform that brings educators and students to one robust resource to foster students' foundational literacy development. Supporting small group, whole class, and individualized practice, Rosen LevelUp provides a personalized experience to promote and track the successful acquisition of key reading skills. The adaptive platform includes over 2,400 high-interest authentic fiction and nonfiction titles and intuitive educator tools to motivate and engage students for skill-building and literacy growth.

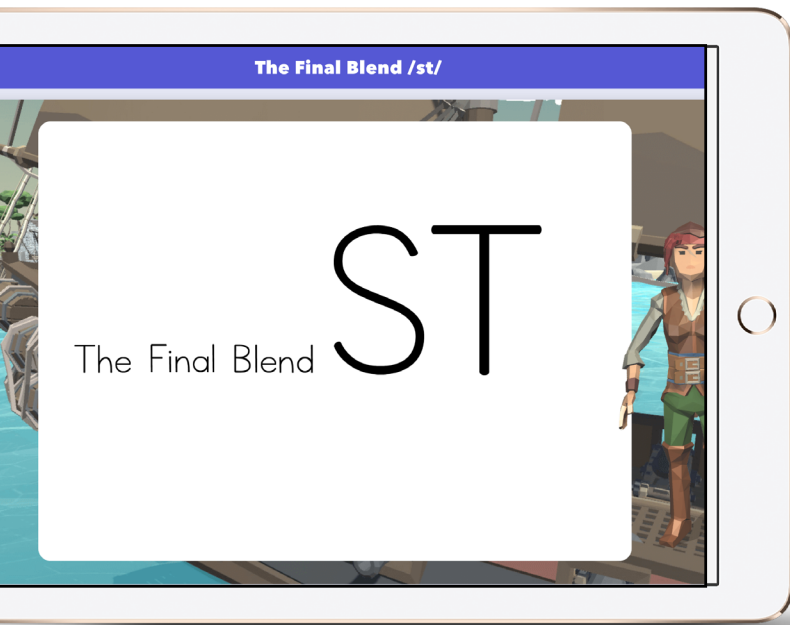

Hundreds of Spanish and Bilingual titles available

For more information or to sign up for a FREE trial visit perma-bound.com/levelup or call 800-637-6581.

Interactive Phonics Titles

The Rosen LevelUp interactive phonics titles provide systematic practice that builds students' skills in phonemic awareness. The state-of-the-art 3D animation program follows a complete scope and sequence, addressing topics from emergent letter-sound correspondence to multisyllabic and compound words. The texts include audio, writing practice, and engaging activities that make learning fun for all students!

Engaging Student Gaming Environment

LevelUp Land's gaming environment maximizes student engagement without distracting from learning goals. Learners will be able to freely play and wander through an immersive 3D environment similar to the most popular gaming platforms of today.

Robust Reporting for Analysis

Rosen LevelUp offers robust, intuitive reporting for analysis. Educators have access to essential reporting at a glance, plus the ability to drill down multiple data points at the district, school, class, and student levels to assess mastery in state ELA standards and key reading skills.

Reports illustrate individual, class, school, and district performance and allow for proper intervention to improve performance
